Five Government Employees
Suspended for Alleged
Wagering.

GAMBLING NOT GENERAL

Federal Sleuths Aid Inquiry—Gambling Among Employees Not Widespread, Declares Mr. Ford.

Five men employed in the Government Printing Office have been suspended by Cornelius Ford, public printer, on charges of betting in the building on horse races. The action was taken following a personal investigation by Mr. Ford, assisted by Department of Justice operatives. The suspended men were employed in the bookbinding division and as skilled and unskilled laborers. Mr. Ford last night declared his investigation showed that bets on horse races were made by men in the printing office itself. "Undoubtedly men went to Havre de Grace and Laurel when the races were there and made bets, but I have nothing to do with that. It does concern me, however, when the bets are made in the building, and I am determined to stamp out the practice," Mr. Ford said. He denied his investigation showed that gambling among the employees were widespread. The suspension of the men formed a topic of considerable interest among the employees. Word of their chief's decision was made known Friday night.

when the office force was dismissed for the holiday Saturday. The investigation was begun with the receipt of anonymous letters by Mr. Ford, telling of betting among the employees, and with evidence furnished by police. Should the men be expelled outright at the conclusion of his investigation, however, Mr. Ford said it was not his intention to submit his evidence for prosecution in the courts.

Rev. Dr. Watson Resigns from
Alexandria Charge After
Serving Many Years.

PHONE WIRES ARE STOLEN

New High School Building Will Be Occupied Today by Students—McAdams Visit Carlin.

Alexandria, Va., Jan. 2.—Rev. Dr. W. F. Watson, for the past seven and one-half years pastor of the First Baptist Church, this morning tendered his resignation, to become effective January 22. The resignation of Rev. Dr. Watson was referred to the official board of the church for consideration. They will act on it at a meeting at 5 o'clock Tuesday night. Rev. Dr. Watson's resignation came as a complete surprise to the members of the congregation. None had any intimation that he contemplated resigning. No reason was assigned by him for resigning. Rev. Dr. Watson assumed the pastorate of this church in August, 1908, succeeding Rev. Dr. W. F. Fisher. He came to Alexandria from Portsmouth, Va. Since Dr. Watson has been pastor of the church, it has paid off indebtedness and made improvements amounting to \$15,000, and today is free from debt and has a balance in the church treasury. The congregation has largely increased under his pastorate. Telephone wire thieves early this morning cut 900 feet of copper wire from the poles between Luna Park and the brick yards, just north of Four-mile-run, Alexandria County. A total of twenty-five out of twenty-eight strands of wire on three sections of poles were carried away. But one wire was left in operation between Alexandria and Washington.

The theft was discovered about 4 o'clock this morning. A force of telephone employees by noon had all of the wires replaced and service in operation. The stolen wire is valued at about \$200.

With the reopening of the public schools tomorrow, the new high school building, at Cameron and West streets, will be used. It will accommodate 450 pupils. Tomorrow, 255 high school pupils will enter the new school and later in the week, 300 boys from the third and fourth grades, will attend classes in the new building. The girls in the primary grades now being taught in the Richmond Theater, will be transferred to Lee School, to take the place of the high school students.

The new high school building has thirteen large class rooms, a principal's room and auditorium. The building cost \$45,000 and is regarded as one of the most modern and best equipped school buildings in the State.

Fire of unknown origin, at 6 o'clock last evening, destroyed the frame residence and contents of Arthur D. Kirby, at Groveton, three miles south of Alexandria, in Fairfax County. Mr. Kirby was unable to save any of the contents. The loss will be about \$3,000, with but a small amount of insurance.
